### **Product Information Notification (PIN): Update to Impinj Speedway Multi-Pack Shipping Label**

Dear Impinj Customer,

As part of our continuous improvement process, Impinj will be implementing a different shipping label for the multi-pack box (max. 6 single-pack boxes in each packaged box) of the Speedway products. This improvement will prevent mislabeling with a visual differentiation.

There is no change to the form, fit, or function of the product. The label has the same paper and adhesive and was previously qualified.

Note: The shipping label for the single-pack (max. 1 pc in each packaged box) will not change.

New Label (Multi-pack only)	Original Label
	

The new label will be introduced starting January 16, 2023. Customers will continue to receive packages with the original label until inventory is depleted.

If you have questions or need assistance, please contact your Impinj account manager or the Impinj support team at [support@impinj.com](mailto:support@impinj.com).

Thank you,
