**End of Life: Resell of Partner RAIN RFID Handheld Readers (IPJ-HH)**

Dear customer,

This is a formal notification that Impinj is initiating the End of Life process for the resell of partner RAIN RFID handheld readers. The objective of providing this notice is to allow for appropriate planning, the opportunity for last time purchases of Impinj’s existing inventory, and the transition to alternative products. The standard terms and agreements will be honored for all units shipped with the exception that all orders placed are non-cancelable and non-refundable.

**Applicable Products**

Impinj SKU	Impinj Product Name	Manufacturer	Manufacturer Product Name
