Product Notice: End of Life Notification for Impinj Indy RS2000, Indy RS1000, and Reader Module Development Kits (IPJ-RS2000, IPJ-RS1000, IPJ-E4xxx)

Dear customer,

This is a formal notification that Impinj is initiating the end of life process for Impinj Indy RS2000, Indy RS1000, and Indy reader module development kits.

The objective of providing this notice is to allow for appropriate planning and the opportunity for last time purchases. This notice also provides details about alternative reader modules, notably pin-for-pin and software compatible replacement reader modules from Impinj partners.

The standard terms and agreements will be honored with the exception that all orders are non-cancelable and non-refundable once placed.

Replacement Products

We are excited to make it simple for you to find reader modules, from our valued partners, that are pin-for-pin and software compatible replacements for the Impinj Indy RS2000 and RS1000 reader modules. A list of direct replacement reader modules, as well as a broad portfolio of Impinj-powered reader modules, can be found on this [Support page](#).

If you have questions, please contact your Impinj salesperson or the Impinj Support Team (support@impinj.com).

Best regards,
