End-of-Life: Impinj Monza 4D and 4E RAIN RFID Tag Chips

Dear Impinj Partner,

Thank you for your prior purchase of Impinj Monza 4 series RAIN RFID tag chips. We are writing to inform you that Impinj has begun the end-of-life (EOL) process for the Impinj Monza 4D and Monza 4E tag chips. The objective of this notice is to allow for appropriate planning as these tag chips are phased out and offer you the opportunity to purchase remaining inventory. Orders will be accepted on a first-come, first-served basis until Impinj's supply of Monza 4D and 4E tag chips is depleted. Orders must be received by Impinj on or before June 28, 2024 and must have a requested ship date from Impinj on or before December 30, 2024.

The following terms apply to all last-time-buy orders (orders placed on or after December 18, 2023) notwithstanding anything to the contrary in the applicable purchase and sale documentation:

- All last-time-buy orders are non-cancelable, non-reschedulable, and non-returnable (“NCNR”)
- You acknowledge that Impinj will not have an alternative use or market for the affected products and therefore you will not be able to reduce your obligation to pay the full purchase price

How Do I Get Additional Information?

Your business is important to us, and we are committed to supporting you through this transition. This notice does not impact the availability timeline of Monza 4D and 4E tags or inlays built by Impinj partners. If you have questions or need assistance, please contact the Impinj Partner Team at partner@impinj.com.
