

## CONFIDENTIAL Product Information Notification

June 17th, 2022

### **Product Change Notification (PCN): Impinj Monza X-8K Dura Obsolete Ordering Part Number**

Dear Impinj Customer,

This is a notification to inform you that Impinj is changing the status of one of the Impinj Monza X-8K Dura ordering part numbers to “Obsolete”.

In January 2020, Impinj changed the part marking on the Impinj Monza X-8K from two lines to one line and created a new part number to differentiate between existing inventory of the old dual line-marked parts and the new single line-marked parts. For additional information on the part marking change, please refer to the bulletin [Product Change Notification on the Impinj Support Portal](#).

Since the inventory of the old dual line-marked parts is now depleted, we are discontinuing the corresponding ordering part number. See below for the updated part number.

#### **Product Information**

<b>Impinj Product Name</b>	<b>Obsolete Impinj Part Number</b>	<b>New Impinj Part Number</b>
Impinj Monza X-8K Dura	IPJ-P6005-X2AT	<b>IPJ-P6005-X2BT</b>

**If you have not done so already, please ensure that any current and future purchase orders for the Impinj Monza X-8K Dura use the part number ending in X2BT.**

If you have questions or need assistance, please contact your Impinj account manager or the Impinj support team at [support@impinj.com](mailto:support@impinj.com).

Thank you,

Martin Liebl
